

East Limestone Concession Stand Roles - Summary

We need your help! The proceeds from the concession stand is the single biggest source of money for the band, and we literally can't do it without you! Working in the stand is a fun way to get to know other band parents, and an easy way to support the band.

If you've never done this before, reach out to Karen Shiver beforehand, or arrive right on time to get some written instructions on what to do when! Got ANY questions at all? Email me: kmshiver@gmail.com
